

Light In Your Eyes
Flyleaf

verse 1)

Em7 **Cadd9**
Pour the wine
G **F#/D**
Light revives
Em7 **Cadd9** **G** **D/F#**
Lowering walls that divide
Em7 **Cadd9** **G** **D/F#**
Kings and Queens yearn to seek
Em7 **Cadd9** **G** **D/F#**
Love in all its mystery
(chorus)

Em7 **D/F#**
When all we wanted was love
Em7 **D/F#**
We got cut up and burned
C **D**
But there s a light in your eye
G **D/F#** **C**
And it tells me that God is on our side
(verse 2)

Em7 **Cadd9**
The waning moon
G **D/F#**
Your sweet perfume
Em7 **Cadd9** **G** **D/F#**
Incense for the Holy Ones
Em7 **Cadd9** **G** **D/F#**
Sacred hymns pour from your lips
Em7 **Cadd9** **G** **D/F#**
Healing for this broken soul
Em7 **Cadd9** **G** **D/F#**
We drive late and let the music tell our fate
Em7 **Cadd9** **G** **D/F#**
For me this is heaven, drown our fears
Em7 **Cadd9** **G** **D/F#**
And we may age if we do not die today
Em7 **Cadd9** **G** **D/F#**
Till then we ll let this music be our prayers
(chorus)
Em7 **D/F#**
When all we wanted was love
Em7 **D/F#**
We got cut up and burned
C **D**
But there s a light in your eye
G **D/F#** **C**

And it tells me that God is on our side
