

Saving Grace
Flyleaf

This is my first tab and it s more of an acoustic easier version of the song. The chords sound right to me but, feel free to make any corrections. I hope this helps anyone that likes the song and can t find any chords! There are a lot of drawn out notes in the song I suggest taking a look at the original beforehand.

G **C**
Pleading cause we prayed for peace tonight
Em **D**
Bleeding cause you knew the fight was right
G **C**
Take my hand, we re almost home
Em **D** **G**
We can see the fire glow

G **C**
Save me grace
Em **D**
I m sick of saving face
G **C**
Will You hold me close?
Em **D**
You re all I want to know
C
Anymore

G **C**
Wake me up with patience I don t know
Em **D**
Call me by a name that I love
G **C**
Take my hand, we re almost home
