FM Static

[intro]
   C   Am   F   G

[verse]
C
I m feelin trapped inside this house,

The words I want, they won t come out,
Am
Feel like a ghost inside these walls,
G
It s like no one sees me at all

C
I want to say, what I want to say,

And hope no fear gets in the way,
Am
But whether I succeed or not,
G
Help me heal this broken heart

[Chorus]
                                C
When everything seems crazy,
                                Am
And I don t know If I can take it,
                    F
I know, I need a little more help than I ve ever had,
        G
And a little more love than I ve had yet
      C
I feel shaken,
                              Am
And I don t know if I can make it,
                      F
I know, I need a little more faith than if I believe,
                  G
 Cause every step I take, you re breaking me again
