

Breaking Me Again
FM Static

[intro]

C# Bbm F# G#

[verse]

C#
I m feelin trapped inside this house,

The words I want, they won t come out,

Bbm
Feel like a ghost inside these walls,

G#
It s like no one sees me at all

C#
I want to say, what I want to say,

And hope no fear gets in the way,

Bbm
But whether I succeed or not,

G#
Help me heal this broken heart

[Chorus]

C#
When everything seems crazy,
Bbm
And I don t know If I can take it,

F#
I know, I need a little more help than I ve ever had,

G#
And a little more love than I ve had yet

C#
I feel shaken,

Bbm
And I don t know if I can make it,

F#
I know, I need a little more faith than if I believe,

G#
Cause every step I take, you re breaking me again
