```
yaaaow
[Verse 3]
              F#m
later on that week we went out,
talked under the stars until the next
day now
    F#m
day now
    Bm
day now
day now
yaaaow
[Verse 4]
                   F#m
you drank your fruitopia
and we never ran out of things to
say now
   F#m
say now
   Bm
say now
say now
G
yaaow
[Bridge]
             F#m
any minute im not with you
 \mathbf{Bm}
I hope I ll see you soon
                            F#m
theres just something that happens
         Bm
when you walk into the room
[Chorus]
                      F#m
and instantly i feel so complete
it hits me right about the time you kiss my cheek
and you give me this feeling
```

F#m
its like no other feeling

```
but it knocks me off my feet
G
please dont ask me what i like about you
              F#m
                     Bm
cause its every little thing you do
                         DF#mBmADF#mBmA
                 Α
and thats just the way you make me feel
[Verse 5]
                 F#m
and i dont think
              \mathbf{Bm}
that there are any others out there like you
          F#m
and i wont blink cause that would mean
i would miss a second beside you
[Bridge]
         F#m
and maybe you know what i mean
       Α
or maybe this is just a dream
i pinch myself just to make sure
but im still here and there you are
       F#m
i wonder why we just met now
it just kind of happened somehow
     F#m
but here we are together and
thats all that matters in the end
[Chorus]
                    F#m
and instantly i feel so complete
          Bm
it hits me right about the time you kiss my cheek
and you give me this feeling
        F#m
its like no other feeling
but it knocks me off my feet
please dont ask me what i like about you
