

Lost In You
FM Static

Great song! Especially for worship... Just to let you know, all of the chords given are POWER CHORDS. If you want to use open chords, there s probably a few minor chords in there, but I don t know which ones. Anyhoo. Hope this is useful!

INTRO: **C F E D**

C
You light up my sky
F
just like a firefly
E
Your word s are more than just a
D
passing breath
C
I wanna feel alive,
F
I need you in my life,
E
You re like a photograph
D
never changing

C
I ve seen you many places
F
And I still feel the same
E
Your love s electric I can
D
feel it when you touch me
C
No one but you could make me
F
Feel like I wanna change
E
I got this feeling that
D
today s gonna be a good day

C **F** **E** **D**
And I just want to get lost in you, again

C **F** **E** **D**
And I just want to get lost in you

C

And we laugh and we turn

F

And we live and we learn

A **G**

And we fight because we care

C

And we lose and we love

F

And we push and we shove

A **G**

Until there s nothing left to lose

Repeat at will!!!
