Hey guys.....I don t think I got this right.....tell me if I m wrong ...

Intro:Db-Bbm-F#-G#(2x)

Db **Bbm** **F#** **G#**

Here we are, in the best years of our lives.

Db

With no way of knowing,

Bbm **F#**

When the wheel stop spinning cause we don t

G#

Know where we re going

Db **Bbm** **F#** **G#**

And here we are, on the best day of our lives.

Db **Bbm**

And it s a go, lets make it last, so cheers you

F# **G#**

All to that, cause this moment s never comin back

Db **F#**

I used to know her brother, but I never

Bbm **G#**

Knew I loved her, till the day she laid her eyes on me.

Db

Now I m jumpin up and down,

F#

She s the only one around, and she means

Bbm **G#**

Every little thing to me.

CHORUS:

Db **Bbm**

I ve got your picture in my wallet, and your

F# **G#** **Db**

Phone number to call it, and I miss you more,

Bbm **F#** **G#**

Whenever I think about you,. I ve got

Db **Bbm**

Your mixed tape in my Walkman, been so

F# **G#** **Db**

Long since we ve been talkin and in a few

Bbm **F#** **G#**

More days, we ll both hook up, forever and ever

(same chords on stanza 1)

And here I am, on the west coast of

America and I ve been tryin to think for weeks of
All the ways to ask you, And now
I ve brought you to the place, Where I ve
Poured my heart out, a million times, for a million
Reasons, To offer it to you

(same chords of the same stanza)

I used to know her brother, but I never
Knew I loved her, till the day she laid her
Eyes on me. Now I m jumpin up and down,
She s the only one around, and she means
Every little thing to me

(same chorus chords)

I ve got your picture in my wallet, and your
Phone number to call it, and I miss you more,
Whenever I think about you.. I ve got
Your mixed tape in my Walkman, been so
Long since we ve been talkin and in a few
More days, we ll both hook up, forever and ever

(same chords on this stanza)
