Intro: **D G A D**

Verse:

**G A D**

You ve been tryin to get me open, caught out in the open, everyone is hoping

**G A D**

You d give anything to take this, everything to break this, everyone is faceless

**G A D**

Give me somethin to believe in, quick, or else I m leavin , need a better reason

**G A D**

I know things get complicated, so mis-educated, it s a wonder that we made it

Pre-chorus:

**Bm F# G A**

Situation, under speculation, what are we facin ? Too much complications

**Bm F# G A**

Lookin for a name and a new generation, a new focus, new destination

Chorus:

**D A G A**

I don t wanna look, I just wanna find, can you give me somethin to believe in?

**D A F# G**

Keep your religion, don t need your lies, I m just lookin for one good reason

**D A Bm G**

I feel like it s teenage hunting season, and nothing out there sounds half decent

**D F#**

Who s out there? Who s gonna save us?

**Bm G A**

Before we all fall through the cracks in the pavement

**D G A D**

Verse:

**G A D**

You ve been tryin to get me open, caught out in the open, everyone is hoping

**G A D**

Give me somethin to believe in, quick, or else I m leavin , need a better reason

**G A**

I know

**Bm**                    **F#**                    **G**                    **A**  
 I m never gonna fall in line, so don t even bother wasting your time  
**Bm**                    **F#**                    **G**                    **A** **Bm\***  
 I m a breed of a different kind, sent back just to invade your mind  
**Bm**                    **F#**                    **G**                    **A**  
 Situation, under speculation, what are we facin ? Too much complications  
**Bm**                    **F#**                    **G**                    **A**  
 Lookin for a name and a new generation, a new focus, new destination

Chorus:

**D**                    **A**                    **G**                    **A**  
 I don t wanna look, I just wanna find, can you give me somethin to believe in?  
**D**                    **A**                    **F#**                    **G**  
 Keep your religion, don t need your lies, I m just lookin for one good reason  
**D**                    **A**                    **Bm**                    **G**  
 I feel like it s teenage hunting season, and nothing out there sounds half  
 decent  
**D**                    **F#**  
 Who s out there? Who s gonna save us?  
**Bm**                    **G**                    **A**                    **D**  
 Before we all fall through the cracks in the pavement

Outro:

**G**                    **A**                    **D**  
 And if you don t know what I m talkin about  
**G**                    **A**                    **D**  
 It s probably better cuz I m workin it out  
**G**                    **A**                    **D**                    **G**                    **A**  
**D**  
 Don t wanna spend my lifetime figurin out, that I could have just said one  
 prayer  
**G**                    **A**                    **D**  
 And if you know what I m talkin about  
**G**                    **A**                    **D**  
 Then together we re both workin it out  
**G**                    **A**                    **D**  
 Don t wanna spend my lifetime figurin out  
**G**                    **A** **D**  
 I missed the point, now it s over

Play this last line over and over until the end

\*This B minor is played an octave higher than the other B minors
