Tonight

[Verse]

(same chords on 1st stanza)

I remember the time you told me
About when you were eight
And all those things you said that night
That just couldn't wait

I remember the car you were last seen in
And the games we would play
All the times we spilled our coffees
And stayed out way too late

I remember the time you sat and told me
About your Jesus
And how not to look back
Even if no one believes us
When it hurts so bad
Sometimes not having you here
I sing

[Chorus]

D G Bm A
Tonight I've fallen and I can't get up
D G Bm A
I need your loving hands to come and pick me up
D G Bm A
And every night I miss you, I can just look up
Bm
And know the stars are
A G A
Holding you, holding you, holding you

[Adlib]

D-G-Bm-A)

[Chorus]

I sing
Tonight I've fallen and I can't get up
I need your loving hands to come and pick me up
And every night I miss you I can't just look up
And know the stars are

Holding you, holding you, holding you
