Waste Of Time
FM Static

Tabbed by : Kerbeen Kaiser Meña (III-EINSTEIN of LSEI - Batch 2011-2012)
Song: Synesthesia by Mayonnaise

*I haven t figured out yet the tabs or plucking of this song. But I would post
it as
soon as I get it and I think this chord is 98% correct and originally made by
me. :)) Hope
you like it.!

Key: C
Standard Tuning

Intro:
C-**G**-**Dm**-**F**-**Fm** (2x)

Verse I:

```
 C                        G
This troubled heartache won t go away
   Dm                        F/Bb
I think there might be something wrong with me
      C                     G
I take a deep breath and maybe I ll stop this shaking
     Dm                     F/Bb           C
God please don t forsake me, I might be crazy
```

Refrain:

```
             G
Am I losing my mind?
                 Dm
Sometimes I feel like
                   F/Bb
things are getting worse in time
      C                 G
If I try will you open my eyes?
            Dm
And make me a part of you
              F -Break-  G -Break-
like you re a friend of mine
```

Chorus:

```
      C                   G
Next time I m losing my mind
                      Dm                        F
I ll remember that to find my way out is just a waste of time
```

```
        C                        G
In place of all my mistakes
                        Dm
You ve seen through the shadows above me
     F              G
No one could ever love me like you

Interlude: C-G-Dm-F-Fm

Verse II:

          C                         G
If I finish what I started and get swept under the carpet
       Dm                   F/Bb
I ll still be thankful for all you ve done
         C                      G
Take a note to remind me that you know where you can find me
       Dm                        F/Bb
I ll probably end up right back here again

Refrain:

            G
Am I losing my mind?
                   Dm
Sometimes I feel like
                    F/Bb
things are getting worse in time
     C                   G
If I try will you open my eyes?
             Dm
And make me a part of you
               F-Break-  G-Break-
like you re a friend of mine

Chorus:

       C                     G
Next time I m losing my mind
                    Dm                         F
I ll remember that to find my way out is just a waste of time
     C                  G
In place of all my mistakes
                  Dm
You ve seen through the shadows above me
     F              G
No one could ever love me..

Bridge:

          C                        G
I ll be everything that you want me to except for perfect
     Dm                             F
```

```
I m trying hard just to understand your plan for me
              C                               G
I ll be everywhere that you want me to unless I fall
              Dm                              F  -  G
I m just trying to get my life back again

Chorus: [Plucking]

          C                       G
Next time I m losing my mind
                    Dm                          F
I ll remember that to find my way out is just a waste of time
      C                   G
In place of all my mistakes
                    Dm
You ve seen through the shadows above me
      F-Break-          G-Break-
No one could ever love me..

Chorus:

          C                       G
Next time I m losing my mind
                    Dm                              F
I ll remember that to find my way out is just a waste of time
      C                   G
In place of all my mistakes
                    Dm
You ve seen through the shadows above me
      F                   G         G-Break-
No one could ever love me like you..
