Butcher birds with useless throats
We re not safe of dying kings with plastic knives

Captains made with metal tags
Flags brought down of hollowed crowns
It s everything without a [time?]
It s just a, it s just a

Goodbye all, your marching bands
Laid to rest in broken stands
Butcher birds will fly away
This is not a warning call, your final shot
All I see is butcher birds will fly away, electric bloom

It s just another hospital
It s just another, it s just another
