Foals
Late Night

[Intro]

Dm Dm C Bb x2

[Verse 1]

Dm Dm C
Oh, I hoped that you were somebody,

Bb Dm
someone I could count

Dm C
to pull me to my feet again,

Bb Dm
when I was in doubt.

Dm C
Oh now Mama, do you hear me

Bb Dm
calling out your name?

Dm C
Oh now Mama, do you hear me

Bb Dm F C
calling out your name?

Bb Dm F C Bb
Calling out your name?

[Verse 2]

Dm Dm C Bb
Now I m the last cowboy in this town.

Dm Dm C Bb
Empty veins and my plastic, broken crown.

Dm Dm C Bb
They said I swam the sea then ran aground.

Dm Dm C Bb
They said I once was lost, but now I m truly found.

Dm Dm C
And I know the place but not the wave.

Bb Dm
I feel, I feel no shame.

Dm C
Oh now Mama, do you hear my fear?

Bb **Dm F C**
It s coming after me!
Bb **Dm F C**
Calling out your name!
Bb **Dm F C Bb**
Calling out your name!

[Chorus 1]

Dm F C Bb
Staaaaaaaaay with me.
Dm F C Bb
Staaaaaaaaay with me.

[Bridge]

Bb C Gm Am x2

Bb C
Then you threw your heart away.
Gm Am
Oh I know just what to say.
Bb C
Through the phone cord; it can wait.

We ve still got time to say.
Bb C
And I know you ran away.
Gm Am
Oh I know but I m feeling okay.
Bb C
But now I found love and the feeling wont go.
Gm Am
Now I found love but the feeling wont go!
Bb
See you walk away!

Feeling okay, now!

Happy now?
