C **Am**
Was I frosty again, didn't mean to be,
Em **E**
There's a bitter storm inside of me,
C **Am**
Was I selfish again, well I can't help that,
Em **E**
I do it all for you, I get nothing back, so I come,

F **Am**
Tightrope walking, ballet dancing,
G **F**
Everyone's watching but you,
F **Am**
I pour my heart out, on the ice,
G **F**
And everyone's watching but you.

C **Am**
I was singing again on a lonely night,
Em **E**
All the birds flew down, all the stars came out,
C **Am**
You were sitting close with your back to me,
Em **E**
I'm a gutted pig, a losing army and I'm,

F **Am**
Tightrope walking, ballet dancing,
G **F**
Everyone's watching but you,
F **Am**
I pour my heart out, on the ice,
G **F**
And everyone's watching but you.

F Am G F x2

C **Am**
And it's only real if it can be perceived,

Em **E**
I can't see you, you can't see me,
C **Am** **Em**
And I'm disappearing like flowers without the sun,
E
A bulletless gun, and it's like I'm,

F **Am**
Tightrope walking, ballet dancing,
G **F**
Everyone's watching but you,
F **Am**
I pour my heart out, on the ice,
G **F**
And everyone's watching but you,

F **Am**
Tightrope walking, ballet dancing,
G **F**
Everyone's watching but you,
F **Am**
I pour my heart out, on the ice,
G **F**
And everyone's watching but you,
G **F**
Everyone's watching but you,
G **F** **E**
And I don't think I want them to.

C **Am**
Was I frosty again, didn't mean to be,
Em **E**
There's a bitter storm inside of me,
C **Am**
Was I selfish again, well I can't help that,
Em **G**
I do it all for you, I do it all for you.
