It Was Never Enough
Fog Lake

  [Intro]
F G C G x2

[Verse 1]
F   **G**
Living out my wasted time
              C
Nowhere to run
              G
Nowhere to hide
F   **G**
Staring through a hollow heart
                     C
We were all out of luck
              G
It was never enough

[Instrumental]
F G C G x2

[Verse 2]
F   **G**
Angels crying in the streets
                C
Somewhere underneath
                    G
He s inside of me
F   **G**
Emptiness becomes a home
                   C
All you ll ever know
                  G
It was never enough

[Verse 3]
F   **G**
Sorry for what you became
                     C
But who can be blamed?
            G
I know you know
F   **G**
Living in a hollow heart
                        C
We were fucked from the start
                  G
It was never enough

[Outro]
F G C G x4
