

Ain't It The Life
Foo Fighters

C Am

Dear Haley, can you save me from the borrowed cloud I'm on

Ab5 A#5 C

All you gotta do is try,

G5 F5

Pray you're just getting by

C Am

Hey wait I thought you'd made it How'd your bottled crown fall off

Ab5 A#5 C

Tell me how'd you get so tired

G5 F5

Faded down to the wire

G C5 B5

Am

Try living a lie and kicking out the same old guise

Ab5 C

Wasting time, so very ordinary

Am

Wait until my bomb goes off

Ab5 A#5 C

See the actors run and hide

G5 F5

Fake it all in stride

C Am

One day we all can say we're gone And haunt the ground we're from

Ab5 A#5 C

Everything's so open wide

G5 F5

Here within the divide

C Am C

Am Ab5 A#5 C

Ain't it the life, Ain't it the life, Ain't it the life got no crime,
just sail on by

G5 F5

Sail on by
