

All My Life
Foo Fighters

Introdução: **G5**

Primeira Estrofe:

G5

All my life
I ve been searching for something
Something never comes
Never leads to nothing
Nothing satisfies
But I m getting close
Closer to the prize
At the end of the rope
All night long
I dream of the day
When it comes around
Then it s taken away
Leaves me with the feeling
That I feel the most
The feeling comes to life
When I see your ghost
