Now here are the lyrics. Listen to the song and play the various riffs at the right parts in the song.

You make me dizzy running circles in my head
 One of these days I ll chase you down
 Well look who s going crazy now we re face to face my friend
 Try to get out, Try to get out

(Chorus)

You know you make me breakout, make me breakout
 I don t wanna look like that, I don t wanna look like that
 You know you make me breakout, make me breakout
 I don t wanna look like that, I don t wanna look like that
 You know you make me break...

I can see it s in your face it s all for you
 The more and more see, can t break quite through
 Yeah therapy still scares me putting me on my back again

I may be crazy, little frayed around the ends
 One of these days I ll phase you out
 Burning in the blast off, Burning in the blast off
 Watch me crawl away
 Better get out, Better get out

(Chorus)

You know you make me breakout, make me breakout
 I don t wanna look like that, I don t wanna look like that
 You know you make me breakout, make me breakout
 I don t wanna look like that, I don t wanna look like that
 I don t wanna look like that

BREAKOUT, BREAKOUT, BREAKOUT, BREAKOUT, GO GO GO

(Chorus)

You know you make me breakout, make me breakout
 I don t wanna look like that, I don t wanna look like that
 You know you make me breakout, make me breakout
 I don t wanna look like that, I don t wanna look like that
 I don t wanna look like that, I don t wanna look like that

You know you make me breakout, make me breakout
