Alone & Easy Target (easy_target.crd)
Foo Fighters

I know that this has been posted already, but I think that there is a better way to play it (without using dropped D tuning) Plus, here are the lyrics:

INTRO:

Guitar 1: (D Dsus D Dsus D Dsus) F#7 E7
Guitar 2: D----- F#7 E7

VERSE:

D Dsus D Dsus D Dsus
they knew all along

F#7 E7
they re not dumb, they were so wrong

D Dsus D Dsus D Dsus
she s not always fun

F#7 E7
hate it now, call when I m done

D Dsus D Dsus D Dsus
pieces fell in place

F#7 E7
puzzles suck, laugh in my face

D Dsus D Dsus D Dsus
turn and swing the pace

F#7 E7
I ll give this, keep the good waist

CHORUS:

D **G**
head is on
D **A**
I want out
C **A**
I m alone and I m an easy target
D **G**
metronome
D **A**
I want out
C **A**
I m alone and I m an easy target

VERSE 2:

D Dsus D Dsus D Dsus
crazy t.v. dreams

F#7 **E7**
might be true, not what it seems.

D Dsus D Dsus D Dsus
food and cavitys,

F#7 **E7**
chewing words, tear at the seams

D Dsus D Dsus D Dsus
he don t feel so good,

F#7 **E7**
don t feel bad, not that he should

D Dsus D Dsus D Dsus
i don t feel so good,

F#7 **E7**
don t feel bad,not that i should

BRIDGE:

G **Bb**
Did you ever listen?

G **Bb**
Did you ever listen?

G **Bb**
Did you ever listen?

A **C**
Get out, get out, get out!

A **C**

Get out, get out, get out!

etc...

Personally, I think the Foo Fighters are incredible and its too bad that the only reason that they get airplay is because of Dave Grohl (At least around here. They can t play a single song without mentioning that he used to play w/ Nirvana) The whole album kicks ass, and I can t wait for them to get out to Chicago. BTW- I figured out Wattershed also. I tab it when I get the time. E-mail me with suggestions, corrections, or just to talk about cool music. Thanks.
