Alone & Easy Target (easy_target.crd)
Foo Fighters

I know that this has been posted already, but I think that there is a better way to play it (without using dropped D tuning) Plus, here are the lyrics:

INTRO:

Guitar 1: (**E Esus E Esus E Esus**) **G#7 F#7**
Guitar 2: D----- **F#7 E7**

VERSE:

E Esus E Esus E Esus
they knew all along

G#7 F#7
they re not dumb, they were so wrong

E Esus E Esus E Esus
she s not always fun

G#7 F#7
hate it now, call when I m done

E Esus E Esus E Esus
pieces fell in place

G#7 F#7
puzzles suck, laugh in my face

E Esus E Esus E Esus
turn and swing the pace

G#7 F#7
I ll give this, keep the good waist

CHORUS:

E **A**
head is on
E **B**
I want out
D **B**
I m alone and I m an easy target
E **A**
metronome
E **B**
I want out
D **B**
I m alone and I m an easy target

VERSE 2:

E Esus E Esus E Esus
crazy t.v. dreams

G#7 **F#7**
might be true, not what it seems.

E Esus E Esus E Esus
food and cavitys,

G#7 **F#7**
chewing words, tear at the seams

E Esus E Esus E Esus
he don t feel so good,

G#7 **F#7**
don t feel bad, not that he should

E Esus E Esus E Esus
i don t feel so good,

G#7 **F#7**
don t feel bad,not that i should

BRIDGE:

A **C**
Did you ever listen?

A **C**
Did you ever listen?

A **C**
Did you ever listen?

B **D**
Get out, get out, get out!

B **D**

Get out, get out, get out!

etc...

Personally, I think the Foo Fighters are incredible and its too bad that the only reason that they get airplay is because of Dave Grohl (At least around here. They can t play a single song without mentioning that he used to play w/ Nirvana) The whole album kicks ass, and I can t wait for them to get out to Chicago. BTW- I figured out Wattershed also. I tab it when I get the time. E-mail me with suggestions, corrections, or just to talk about cool music. Thanks.
