Α
There is a secret, I found a secret,
Behind a soho door.
There is a reason, I found a reason,
Beneath the subway floor.
I found the water, the devil s water,
And walked along it s shore.
Is that what you want?
The channel s changing, the heart is racing,
From voices on a wire.
Α
The soul is yearning, the cold is burning,
The ember starts a fire.
Can we recover, love for each other,
The measure of your life
Is that what you want?
```

```
Is that what you really want?

A river, a river
A river running under ground
         E*
A river, a river
Is that what you want?
Is that what you really want?
