Intro

E D x2

E D E D x2 **E**

D

I ve been waiting,

E

elevating,

D E

hanging on a line

D

Hate to say it

C

your new favourite?s

D E

going?out?of style

D

Threw away those

E

of broken heroes,

D E

that just?wasn t wise

D

Hallelujah,

C

spread the news, boy,

D

don t believe the hype

[Pre-Chorus]

C A

Alright

G A

Are you afraid of the dark?

G A

I know a place we can start

E

D

But if this is our last time

E **D**

Make up your mind

E **D** **C**

I?ve waited a lifetime to live

A **E D E D E**

It s time to ignite, I m making a fire

D

I was baited

E

when I said I d

D E

never tell a lie

D

Lucky then I

C

took a stand and

D

finally hit my stride

C A

Alright

G A

Are you afraid of the dark?

G A

I know a place we can start

E **D**

But if this is our last time

E **D**

Make up your mind

E **D** **C**

I?ve waited a lifetime to live

A **E D E D**

It s time to ignite, I m making a fire

C A

G A

Are you afraid of the dark?

G A

I know a place we can start

E D E D x2

E **D**

But if this is our last time

E **D**

Make up your mind

E **D** **C**

I?ve waited a lifetime to live

A

It's down to the wire

E **D**

This is our last time

E **D**

I've made up my mind

E **D** **C**

I've waited a lifetime to live

A **E** **D E D**

It's time to ignite, I'm making a fire

E D E D
