Letra:

Give me the flammable life
I m cold as a match ready to strike
So here I go

Here lies a city on fire
Singing along the arsonist choir
Now here I go

It started with a spark
And burned into the dark
Now here I go

There is a river I found
Into the wild under the ground
So here I go

A button on a string
And I heard everything
Now I here I go

Oh sweet ignition be my fuse
You have no choice you have to choose
Bid farewell to yesterday
Say goodbye I m on my way

But in the end we all
Come from what s come before
So here I go

Oh sweet ignition be my fuse
You have no choice you have to choose
Bid farewell to yesterday
Say goodbye I m on my way
I threw it all away because
I had to be what never was
Been so hungry I could lie
You took my word, I took your wine
And held you with my bloody hands
These rattled bones and rubber bands
Washed them in the muddy water
Looking for a dime and found a quarter
But you can t make me change my name
Will never make me change my name
Pay no mind now ain t that something
Fuck it all I came from nothing

I m something from nothing
You are my fuse
I m something from nothing
You are my fuse

It goes

It goes

No you can t make me change my name
You ll never make me change my name
Pay no mind now ain t that something
Fuck it all I came from nothing

I m something from nothing

I m something from nothing
