God damn this dusty room  
This hazy afternoon  
I m breathing in this silence  
Like never before  
This feeling that I get  
This one last cigarette  
As I lay awake and wait for you  
To come through the door  
Oh maybe, maybe, maybe  
I can share it with you  
I behave, I behave, I behave

So I can share it with you

We ll dream about somewhere  
Our smoke will fill the air  
As I lay awake and wait for you  
To walk out that door  
I can change, I can change  
I can change, but who you want me to be  
I m the same, I m the same  
I m the same, what do you want me to be
