**B7sus2** **Bm**  
So many thoughts in my head, I don t know where to begin  
**B7sus2**  
Can t find the words to describe, cannot explain what I mean  
**G** **F#m** **Bm**  
We re not the same anymore, we ve lost our innocence  
  
Well you have opened the door and pushed me into the night  
I step around in the dark and search for ways I can find  
My head is humming, my love, we ve lost our innocence

Chorus:

**Em** **A** **F#m** **Bm**  
Now the rain set in and it makes me wonder  
**Em** **A** **F#m** **Bm**  
And the storm begins, I can hear the thunder  
**G** **A**  
I can hear what you say but I don t understand  
**F#m** **Bm**  
Can read in your eyes like the back of my head

Gimme, gimme, gimme

Gimme, gimme, gimme reason to live

Verse 2:

Give me the colours I need to paint this desolate sky  
I m running out of control because the longer I try  
To cut the wires in me I fear the consequence

You put your hands in my face, so many easy way out  
But onto yellow and weak, can t get my feed on the ground  
I m so in trouble, my love, but you are innocent
