Nothing - Fool's Garden (by stg)

Intro: A / A9

A A9 F#m

There's no picture I could paint to show you what you mean to me

A A9 F#m

and no poem I could write to tell you what you mean to me

D E

You're more than fire, you are more than rain

D E

You're more than love, you are more than pain no, no

Bm7 C#m7 D E

There's no single word that could explain

There's no flower blooming like the smile in your ethereal eyes
and no scholar ever could explain it - he could be so wise
You're more than heaven, you are more than earth
You're the origin, you are more than birth
You're more than beautiful, you're everything to me

A D9 E A A9

It's not the way that you move, it's not the glowing

A D9 E A

on your face when you smile that makes me trembling and calm

A D9 E

It's not that look in your eyes when I am going

A D E

It's just everything - What you are

There's no flower ocean deep enough to show you what you mean to me
and no mountain high enough to show you what you mean to me
You're more than meaning, you are more than time
You are redemption, you're the reason why
You're so mysterious, you're everything to me

It's not the way that you move, it's not the glowing
on your face when you smile that makes me trembling and calm
It's not that look in your eyes when I am going

C# D9

don't you let them live in your soul

E

whenever they will try

C#m7

F#m

to barricade the way that you go

D E A

you re fragile - souls can fly

It s not the way that you move, it s not the glowing
on your face when you smile that makes me trembling and calm
It s not that look in your eyes when I am going
It s just everything - What you are
What you are
What you are
