Eb **F**

You're more than love, you are more than pain no, no

Cm7 **Dm7** **Eb** **F**

There's no single word that could explain

There's no flower blooming like the smile in your ethereal eyes

and no scholar ever could explain it - he could be so wise

You're more than heaven, you are more than earth

You're the origin, you are more than birth

You're more than beautiful, you're everything to me

Bb **Eb9** **F** **Bb Bb9**

It's not the way that you move, it's not the glowing

Bb **Eb9** **F** **Bb**

on your face when you smile that makes me trembling and calm

It's not that look in your eyes when I am going

Bb **Eb** **F**

It's just everything - What you are

There's no flower ocean deep enough to show you what you mean to me

and no mountain high enough to show you what you mean to me

You're more than meaning, you are more than time

You are redemption, you're the reason why

You're so mysterious, you're everything to me

It's not the way that you move, it's not the glowing

on your face when you smile that makes me trembling and calm

It's not that look in your eyes when I am going
