Life s splendid,
you don t need any toy
I m intended for you,
so you don t have to run on skylines
Am **Am/G#**
I don t know much
Am/G **Am/F#** **F**
but what I know I ve got to cure you anyhow

(Same verse proyection)
I don t wanna learn,

and I really don t wanna waste my life

Your big car

Your wonderbra

But don t you see
that it doesn t bother me?

Why don t you begin?
It s fantastic
you don t need anything
no plastic solution for your pretty face
Believe me

I don t know much
but what I know I ve got to cure you anyhow
cause I love you!
I love you!
