(Chorus)

A
Welcome good old sun
C
There ain t no love when you don t come
D **A**
Welcome sun. welcome , welcome
A
Welcome good old sun
C
Send out your light to everyone
D
Show your face, the night is gone
F **G**
Welcome

(Vers)

A **G**
Light up all the places
D
Light up all the faces
G **F** **G**
Illuminate the world
A **G**
Shine on every flower
D
Give us all your power
G **F** **G**
Come and break the day

(Pre Chorus)

C **G**
Lead us , we are blind men
D **D**
lead us that we find an answer for a better world

(Chorus)

Welcome good old sun
There ain t no love when you don t come
Welcome sun. welcome , welcome
Welcome good old sun
Send out your light to everyone
Show your face, the night is gone
Welcome

(Vers)

Set our hearts on fire
Let our souls get higher
Give us love and peace

Burn envy and hatred
Encourage us to make it
Illuminate the world

(Pre Chorus)

Lead us , we are blind men
lead us that we find an answer for a better world

(Chorus)

Welcome good old sun
There ain t no love when you don t come
Welcome sun. welcome , welcome
Welcome good old sun
Send out your light to everyone
Show your face, the night is gone
Welcome
