

Pushing On A Pull Door
for KING & COUNTRY

[Verse 1]

C
If hope is what you re after
G Am F G C
I can take it and turn it into rain

C F C
When tears become laughter
G Am F G C
I will catch them and turn them back again
G Am F G C
Yeah, I will catch them and twist them back again

[Chorus]

Am F C
When you re upside-down, then you ll see it all
G Am
That you spend all your time
F C
Pushing on a pull door

[Verse 2]

C
You made a plan
C
You think you re in control
G Am F
Yeah, you re flying
F G C
But you re way too high to fall
G C
And hey there
F C
Check around the corner
G Am
Because it s coming
F G C
Here s your wakeup call
G Am
Don t you hear me coming
F G C
I m your wakeup call

[Chorus]

Am F C
When you re upside-down, then you ll see it all
G Am

That every things the wrong way round

F **G** **C**
and clearer than before
G **Am** **F** **G** **C**
When you re upside-down, then you ll see it all
G **Am**
That you spend all your time
F **G** **C**
Pushing on a pull door

[Bridge]

G
I will shake you
Am **G** **Am**
I will make your
G **Dm** **C**
Shattered dreams unwind

G
â€™Cause it s only when it goes to pieces
Am
Only then as time increases
G **Dm** **F** **G** **F**
You will find the peace that you ve been dying for
G **C** **F**
You realize that all this time

Am **F** **C** **G**
You ve been pushing on a pull door
Am **F** **C** **G**
You ve been pushing on a pull door

[Chorus]

Am **F** **C**
When you re upside-down, then you ll see it all
G **Am**
That every things the wrong way round
F **G** **C**
and clearer than before
G **Am** **F** **C**
When you re upside-down, then you ll see it all
G **Am**
That you spend all your time
F **G** **C**
Pushing on a pull door
G **Am** **F** **C**
When you re upside-down, then you ll see it all
G **Am**
That every things the wrong way round
F **G** **C**
and clearer than before
G **Am** **F** **C**
When you re upside-down, then you ll see it all

G **Am**
That you spend all your time
F **G** **C**
Pushing on a pull door

[Ending]

G **Am** **F** **C** **F** **Am** **F** **C**
