

**Our After Party Is
For Our Hero**

Okay so the chords are really basic but I play the C as an A-bar chord (335553) and the G as an E bar chord (355433). You don't need to but I think it sounds a little more accurate :)

C G Am F

C
Our after party is wearing thin,
G
I've lost count of all the fights I've been in
Am
I woke again to a movie scene
F
inside my head
C
I was the lead,
G
you were the girl I
Am
couldn't let,
F **G** (once)
I couldn't let, let up

(Chorus)
C **G**
you know, when there's a window there's a way
Am **F** **G**
let's go, take my hand we'll run away
C **G**
I know, missing you was my mistake
Am **F** **G**
so go girl, I'll only be a phone call away

C G Am F

C
just a little further darling,
G
we've come too far to give up now
Am
hiddin' under lock and key
F **G** (once)
inside a girl only I'll meet

stay in, we're better off,
G
waiting until it's safe,

We ll slip away
