verse 1
```
G                        C
Going to break these chains
G                      C
Going to set myself free
G                          C
Going to turn on the mains
G                        C
Feel the power inside of me
C
Going to burn all night
C
Going to burn all day
G                        C
You ll see me coming baby
G            C
From miles away
G                 C
Feel me in the air
G                    C
Feel me all around you
G                         C
Going to show you how I care
G                      C
Teach you something new
C
I m going to take my time
C
Make love to you
G                          C
Yeah I know I can satisfy you
G                        D  C  Am
That s what I intend to do
```

```
         Am
Now I m counting every minute
D      C      Am
Every single minute
Am
I m calling for you, honey
         D      C          Am
```

Come and get it while it s hot
Am
Counting every minute
D   **C**   **Am**
Ooh I m living it
     Am
I ll make every minute count
       D   **C**   **Am**
Give it everything I ve got

verse 2
G   C
Feel me getting closer
G   C
I m almost there
G   C
Can you fell my fingers
G   C
Running through your hair
C
Can you feel my hands
C
Draw you closer to me
G   C
Can you hear that clock tick, tick, ticking baby
G   D   C   Am
I ll soon be there to set you free

     Am
I m counting every minute
D   C   Am
Every single minute
Am
I m calling for you, honey
       D   C   Am
Come and get it while it s hot
Am
Counting every minute
D   C   Am
Ooh I m living it
     Am
I ll make every minute count
       D   C   Am
Give it everything I ve got
Am
Counting every minute
