

I Have Waited So Long
Foreigner

Intro

| D Dsus4 | D |

verse 1

I have waited oh so long
Please don't tell me baby I was wrong
Dreaming of you every night
Holding back until the time was right

I've counted the days (Day after day)
Since we've been apart
Now I've found my way (I've found my way)
Right back to your heart

Calling you, but you were never there
Seeking in the dark of night
Hoping one day you would shine a light
