

Luna Alt Mode
Forest Rain

Capo on 1

NOTE: This is based on Forest Rain's ridiculously high cover. (Which has a nice extra verse)

For Odyssey Eurobeat/EurobeatBrony's original key, use **Dm Bb G F A / Dm Bb C A** (keeping the capo on 1)

Using just the second set of chords might be more accurate, but I prefer it this way.

Enjoy, rate, and spread it around.

Am **F**
For a thousand years I've waited here for you
Dm
Waiting every night
C **E**
For I thought you were the answer to my life
Am **F**
Days turned into years and into centuries
Dm
Patience had to fade
C **E**
Don't you see that there is vengeance in my eyes?

Am **F**
Luna won't you cry for me
G **E**
I'm as lonely as I've ever been
Am **F**
I am forced back into the start
G **E** **Am**
Is there any way to fix a broken heart?

Am **F**
Infinite despise and endless jealousy
Dm
Bottled in my soul
C **E**
Has erupted as I'm tearing through the skies
Am **F**
I am the creature now that feasts upon your dreams
Dm
and turns them to nightmares
C **E**
Now my anger will bring forth an infinite night

Am **F**
Luna won't you cry for me

G **E**
I m as lonely as I ve ever been
Am **F**
I am forced back into the start
G **E** **Am**
Is there any way to fix a broken heart?

To recap:

Forest Rain (Alt Mode): **Am F Dm C E / Am F G E**

Odyssey Eurobeat: **Dm Bb G F A / Dm Bb C A**
