

**Luna Alt Mode**  
**Forest Rain**

Capo on 1

NOTE: This is based on Forest Rain s ridiculously high cover. (Which has a nice extra verse)

For Odyssey Eurobeat/EurobeatBrony s original key, use **C#m A F# E G# / C#m A B G#**

(keeping the capo on 1)

Using just the second set of chords might be more accurate, but I prefer it this way.

Enjoy, rate, and spread it around.

**G#m** **E**  
For a thousand years I ve waited here for you  
**C#m**  
Waiting every night

**B** **Eb**  
For I thought you were the answer to my life  
**G#m** **E**  
Days turned into years and into centuries  
**C#m**  
Patience had to fade

**B** **Eb**  
Don t you see that there is vengeance in my eyes?

**G#m** **E**  
Luna won t you cry for me  
**F#** **Eb**  
I m as lonely as I ve ever been  
**G#m** **E**  
I am forced back into the start  
**F#** **Eb** **G#m**  
Is there any way to fix a broken heart?

**G#m** **E**  
Infinite despise and endless jealousy  
**C#m**  
Bottled in my soul  
**B** **Eb**  
Has erupted as I m tearing through the skies  
**G#m** **E**  
I am the creature now that feasts upon your dreams  
**C#m**  
and turns them to nightmares  
**B** **Eb**  
Now my anger will bring forth an infinite night

**G#m** **E**

Luna won't you cry for me

**F#**

**Eb**

I'm as lonely as I've ever been

**G#m**

**E**

I am forced back into the start

**F#**

**Eb**

**G#m**

Is there any way to fix a broken heart?

To recap:

Forest Rain (Alt Mode): **G#m E C#m B Eb / G#m E F# Eb**

Odyssey Eurobeat: **C#m A F# E G# / C#m A B G#**
