G **D**
I candy-coat and cover everything
G
but I m still hiding underneath
A
It s been a long time
G
It s been a long time
G **A**
A thousand faces looking up at me
D
hands all pointing to the ceiling
Oh, what a feeling

Refrain 1:

G **A**
I ve got friends in highly low places
D
I m standing on post and I m posted up
Can t afford to lose them
G **A**
I ve got friends in highly low places
D

I ll go inside when I wanna party
(hold)
grab a girl and dance(Don t touch me)

Chorus 1:

G **D**
Whoa oh Whoa oh Whoa oh

A
Why do I put myself
in these situations?

G **D**
Whoa oh Whoa oh Whoa oh

A
I keep pushing
myself even though
I can t take it at all

Verse 2:

G
Girl who taught you

A
how to move like that

D
At this pace you re at
you re going way too fast

G **A**
I, I saw you from
across the room

D
It s me vs every guy
It s your choice you choose

Refrain 2:

G
I ve got friends in

A
highly low places

D
It s been a long time
it s been a long time

G **A** **D(hold)**
And maybe baby you can rise
above the rest to meet me

Bridge:

G **D**
You're worth losing
my self-esteem

G
Your clever words mean

D
nothing more to me
than a line I
heard in a movie

G
You're worth

A
losing my losing my

Bm **D**
losing my self esteem

G **A**
You're not worth

Bm
putting myself in

D
these situations
