Forfun

F#m **Bm7**
Cosmoman vibration gig-ê
F#m **Bm7**
Cosmoman vibration gig-ô
F#m
Bolo cosmoman, bolo cosmoman
Bm7
Cosmoman bolo

(**F#m**, **Bm7**)
Pushing boundaries
I spy with my glassy eyes
A turning point to my whole life
Rising in these palm trees
That s me

Wearing trunks in december
Writing to remember
Leaking on the road side
Minding the steps, minding the crap
Praying for my good angel

D **C#m7** **Bm7**
Praying for my know-how
D **C#m7** **Bm7**
Planning my costumes for the next carnival
D **C#m7**
That s my heart
Bm7
Distressed and colorful

D **C#m7**
A burning shuttle in the deep blue
Bm7 **Bm7**
A sparkling water swimming pool

F#m **Bm7**
Cosmoman vibration gig-ê
F#m **Bm7**
Cosmoman vibration gig-ô
F#m
Bolo cosmoman, bolo cosmoman
Bm7
Cosmoman bolo
