Primeira Estrofe (come with me...):

```
      A           F G A
e |-----
B |--10-10-10-10-10-10-10...
G |-----
D |-----
A |-----
E |-----
```

```
A           F G
Come with me
      A           F G
The same old way
A           F G
In the streets
      A           F G
Where we used stay
```

(agora com power chords e ?sentando a mão)

```
A5           F5 G5
Never more
      A5           F5 G5
You naughty little dog
A5           F5 G5 A5           F5 G5
But my heart?s still full of napalm
```

```
F5           G5           A5
And you eyes?re telling you?re so sorry
F5           G5           E5
And you have all the time to tell all your lies
```

```
A5           F5 G5
Napalm           (Repete várias vezes)
```

```
C5
Knock down knock down
      A5
You push me around
      C5           G5
Don?t wanna bang your head against the ground
```

F5

Please don?t cry and don?t take it so bad

E5

A5

Back for my body before you make me mad
