

**You're My Habit**  
**Forgotten Boys**

INTRO: **A-G** 2X

**A**  
i don t need needles if i can look in your eyes

**G**  
i don t need coke if i can stay by your side

**A**  
last night I saw you it was love at the sight

**G**  
army boots, leather jackets and mini skirts

**D**      **A**                      **B**                                      **D**  
black hair and blue eyes you are so fine

**A**              **B**                                      **C#**  
just drinking a beer and looked at me

**D**  
you re my habit

**B**  
i feel so cold without you

**A**      **G**  
you re my habit

**A**  
I wish I could see you again

**G**  
and tell the words i couldn t say

**A**  
i m not just another junkie anyway

**G**  
i promise everything to make you happy

**D**      **A**              **B**  
you are so nice

**D**              **A**              **B**                                      **C#**  
now i m home alone and feel so sad

**D**  
you re my habit

**B**  
i feel so cold without you

**A**  
you re my habit

**F#**                                      **B**

they said i will change because i love

**F#** **B**

they said I will die because i love you

**E** **F#**

no matter what they say

**G#** **C#** **D** **E**

i m gonna change my way to prove my love for you
