You're My Habit Forgotten Boys

INTRO: A-G 2X

Α

i don t need needles if i can look in your eyes

i don t need coke if i can stay by your side

Α

last night I saw you it was love at the sight

G

army boots, leather jackets and mini skirts

black hair and blue eyes you are so fine

A B C‡

just drinking a beer and looked at me

D

you re my habit

В

i feel so cold without you

A G

you re my habit

Α

I wish I could see you again

G

and tell the words i couldn t say

Α

i m not just another junkie anyway

G

i promise everything to make you happy

D A B

you are so nice

D A B C#

now i m home alone and feel so sad

D

you re my habit

В

i feel so cold without you

Α

you re my habit

F# B

they said i will change because i love

F# B

they said I will die because i love you

E F#

no matter what they say

G# C# D E

i m gonna change my way to prove my love for you
