

At The Wake

Format

At the Wake

Standard Tuning, If you don't like it do it yourself.

C G Am
So far from me
F C Am G
Stands a man known as disease
C G Am F C Am G
He's shaking all the hands of the people that he meets

(Chorus)

F
And now
Am
you just don't see me anymore
F Am
I've been losing everything
F Am G F
You just don't see me anymore
F Am G C
I'll say goodbye

C G Am F
Since you left she's a mess
C Am
She regrets all the things
G
That she could have said but...
C G Am G
We fall asleep, never think about anything
F C Am G
We wake to the sound of a phone as it hits the ground

(Chorus)

F C Am
And oh at the wake, at the wake
G F
I will turn to see a face
C Am
Just a face, just a face
G F
So surrounded by a name
C Am
What a name, what a name

G **F**
 And we never want to change
C **Am**
 What you gave, what you gave
G
 Never want to let go

C **G** **Am**
 So surround me
F **C**
 I need anything
Am **G**
 And you, you re everything
C **G** **Am** **F**
 I want to live like I did before all this hit
Am **C**
 To sleep in your arms
F **G**
 To think, we ll never fall apart

F **Am**
 And oh, you know its
C
 You know its such a drag
F **Am** **C**
 To live your life for a heart attack
F **Am** **C** **F**
 To never get a second chance to say goodbye
Am
 So say goodbye
C
 I ll never get to try

(Chorus)
