the format - first single

one, two, three, four

E B

I can't stand to think about
a heart so big it hurts like hell
oh my god I gave my best
before three whole years to end like this

C#m B

do you want to fall apart?
I can't stop if you can't start
do you want to fall apart?
I could if you can try to fix what I've undone

A

cuz I hate what I've become

chorus:

E A

you know me,

C#M

or you think you do

B

you just don't seem to see

E A

I've been waiting all this time

C#M

B

to be something I can't define

E B

so let's cause a scene

C#M B

clap our hands and stomp our feet

E

oh it's something

B

yeah it's something

C#M B A

I just gotta get myself over me

E B

I could stand to do without
all the people I have left behind
what's the point in going around
when it's a straight line, baby
straight straight line

C#M B

so let's make a list of who we need
and it's not much if anything

make a list of who we need
and we throw it away cuz we don t need anyone

A

no we don t need anyone

chorus

E

you know a night life is just not for me

B

cuz all you really need are a few good friends
don t wanna go out and be on my own
you know you started something I can t stand

C#M

B

you leave for the city
count me out
cuz all this time is wasted on
everything I ve done
