**A E**

I love Love

**D A D**

I love being in love

**A E**

I don t care what it does to me

**A**

Take these tattered boxes  
that used to hold your clothes  
Break them down

**E**

Build them back up with your bones  
All you did was construct a mess  
You re good to me when only flesh

**A A**

You re a memory with nothing to show

**A**

When we would take trips  
We swore we d never take pictures

**E**

Pictures only prove you can t convince

Now I wish those photographs  
could convince you that what we had

**A**

would only turn out a negative

**A Bm C#m**

Well well well

**D**

**Dm**

If fingertips are relationships

**D**

**A**

Then I could barely carry your weight

**Bm**

If fingers are mistakes

**D**

**A**

Don't use this one to point the blame

**E**

Just sing, sing

**A E**

I love love

**D A D**

I love being in love

**A E**

I don't care what it does to me

**A E**

These pills are fine to pass the time

**D A**

Til I find my new drug

Then

**D A**

We'll take our chances

**D A**

we'll last a month

**D A**

we'll never speak again

**(E) A**

How I love being in love

(Interlude, **A, E, A**)

**A**

And don't pick up the line

You're dressed to have a good time

**E**

You don't need him, you need to be seen

So someone else can treat you wrong

So you my love can sing this song

**A E**

I love love

**D A D**

I love being in love

**A E**

I don't care what it does to me

**A E**

These pills are fine to pass the time

**D A**

Til I find my new drug, then

**D A**

They'll take advantage

**D A**

I'll claim that's what I want

**D** **A**  
To be the new statistic
