**G** 320003  
**D** x00232  
**A** x02220  
**Bm** x04432  
**E** 022100

Verse 1

**G** **D**  
We ve just got to take our time  
**A**  
It s like nothing really matters,  
**Bm** **G**  
So let s make this moment a crime  
**D** **A**  
I know, I know youâ€™re left behind  
  
**G** **D**  
Iâ€™ll do my best to feel broke down  
(Iâ€™ll do my best to feel broke down)  
**A**  
Its been a minute, a second,  
**Bm** **G**  
Iâ€™ll wait for you to make a sound  
**D** **A**  
But I know, I know youâ€™re taking time

Pre-Chorus

**G** **A**  
Maybe it s just too late  
(Iâ€™ve gotta get away)  
**Bm** **E**  
Everything feels the same  
(Iâ€™ve gotta get away)  
**G** **A**  
Tell me it s not too late

Chorus

**D**  
On and on and on you wait  
**G**  
And all the days, they fade away  
**D**  
And all the nights,  
**G**

Theyâ€™ve never felt the same

**D**

If I was wrong then I was wrong

**G**

And on and on and on and on

**D**

**G**

The things we do are never gonna change

Verse 2

**G**

**D**

Well you havenâ€™t got a lot to say

**A**

But you never want to stop

**Bm**

**G**

You always want to feel this way

**D**

**A**

I know, I know youâ€™re taking time

Pre Chorus

Chorus

Bridge

**D**

We wait forever,

**Bm**

If ever, youâ€™re too hip to saying never

**G**

Iâ€™ll never get it,

**Bm**

Oh I shouldn't sweat it

**D**

Not like it matters, it's over,

**Bm**

Yeah at least till you come over

**D**

So much for shutters,

**Bm**

We're living under covers

Pre-Chorus

e|-3-3-2-2-0-0--|
