This is my first tab ever. it think it sounds pretty close any way
just listen to the rythem for the struming. if you have a coments just
email me at PapperBoy2001@hotmail.com

ENJOY!!! :-)

D **G**
The chords we play, ways left to communicate
D **G**
these roads are paved with plans we ve made
D **G**
And your headboards never felt so safe
D **G**
well they ll reach our graves
D **G**
where your friends And i will kill the lights and hide,
D **G**
oh what a nice suprise

[chorus]

Asus2 **Asus2** **D**
dont, Dont tell me when its coming (no)

Asus2 **Asus2** **D**
dont, dont i just want to see if for myself

Asus2 **D** **G**
dont breathe, Dont make a sound cause the song wont stop till the tape runs out
D **Em** **G**
melody has nothing to hold,
Asus2 **G** **D**
I ll be the last sound that you hear as your eyes close

D **G**
and these chords remain
D **G**
We ll use them to exploit the friends
D **G**
we ve since forgot those friends we ve lost
D **G**
you All know just who you are
D **G**
cause ive since made graves
D **G**

but im too scared to etch the names

D

G

For fear that im the one whos changed

[chorus]

D

G

The thought of death it scares me to death and i dont know why,

D

G

I dont know its just too much to never wake up

[chorus]
