Am: x02210  
F: 133211  
G: 320033

ooh s: C, Csus4,C Am, F, C

intro: C, Csus4, C, Cmaj9-Am, F, C x2

**C Csus4 C Cmaj9 Am F C**  
Don t let the sadness grow, you re beautiful don t you know  
**C Csus4 C Cmaj9 Am F C**  
and it s easy to dive into doubt, but harder to climb back out

**F Am**  
don t drink from the well, where the bitterness dwells  
**C Cmaj9 Am**  
that water is wasting your time.

**F Am**  
Push past the anger and cynical strangers who s  
**C Cmaj9 Am**  
sharp words are often unkind

**F G C**  
there is love we can find we will find

**C Csus4 C Cmaj9 Am F C**  
and when lights get a voice in your ear and whisper your deepest fear  
**C Csus4 C Cmaj9 Am F C**  
will you can either believe or push past those empty things

**F Am**  
acknowledge the hard things as shifts that are passing  
**C Cmaj9 Am**  
don t let them destroy your life

**F Am**  
and pray that you re misses find gentle forgiveness  
**C Cmaj9 Am**

and deep as the hue of red wine  
          **F**                  **G**                  **C**  
there is love we can find we will find

C, Csus4, C, Cmaj9-Am, F, C       x2

**C**                  **Csus4**          **C**  
so come hearts that are scared and alone  
**Cmaj9** **Am**                  **F**                  **C**  
  let love give you warmth in the cold  
          **C**          **Csus4**          **C**  
let fate and hope lead you on  
**Cmaj9** **Am**                  **F**                  **C**  
  let joy be the theme of your song  
**Cmaj9** **Am**                  **F**                  **C**  
  let joy be the theme of your song
