

**High Definition**  
**Fort Lean**

Capo on fret 2

**G**

I didn't mind the bodies in the road

**Em**

I was coming for you

**G**

I didn't know the forest was on fire

**Em**

I was coming for you

----

**Am**      **C**                      **G**

I follow your footsteps

**Am**      **C**                      **G**

I follow your footsteps here

----

**G**

I didn't mind the bodies were aflame

**Em**

I was coming for you

**G**

I was tired, I was looking for a drink

**Em**

I was coming for you

----

**Am**      **C**                      **G**

I follow your footsteps here

**G**

**Em**

I been hiding so long

**Em**

In high definition

**G**

Who are you

**Em**

To be needing me?

----

**Am**

**C**

I get so lost, and I'm scared

**G**

To ride home

----

**G**

I think I fell asleep

**G**

I think I fell asleep

**Em**

While you were talking to me  
**Em**

While you were talking to me  
----

**G**  
I think I didn't ask

**G**  
I think I didn't ask

**Em**  
What you thought about me

**Em**  
What you thought about me  
----

**Am**  
Keep talking

**C**  
I'm listening

**Am**  
I'm promise

**C**  
I'm listening

**Am**                          **C**  
Of course I'm listening

**G**  
To you

A great song  
This is my first indie chord contribution to ultimateGuitar, enjoy :)
