#1.
в
                          C#7
I see that worried look upon your face.
Em
                F#
                                     в
You ve got your troubles, I ve got mine.
в
                             C#7
She s found somebody else to take your place.
Em
                F#
                                     R
You ve got your troubles, I ve got mine.
CHORUS#1.
Α
                        в7
I too have lost my love today.
Α
                            в
                               F#
                                    F#7
All of my dreams have blown a...way.
#2.
                            C#7
в
Now just like you I sit and wonder why.
Em
                F#
                                     в
You ve got your troubles, I ve got mine.
в
                             C#7
You need some sympathy, well so do I.
Em
                F#
                                     в
You ve got your troubles, I ve got mine.
CHORUS#2.
                            EM7
Α
She used to love me, that I know.
Α
                          в
And it don t seem so long ago,
                     C#m
E
that we were walking and we were talking,
                      в
   Α
the wa..y that lovers do.
REPEAT CHORUS#1.
#3.
в
                            C#7
And so forgive me, and if I say to you, my friend
             Em
                             F#
that I ain t got no pity for you..Well that ain t true,
          в
                   F#
