

Guaratuba

Fossil Collective

Hi guitarists!

I'm currently working on the guitar tab of the guitar melody to this song, which is harder than it sounds, but for now, please enjoy the simple chords!

Capo on 1st Fret

Standard Tuning

Intro:

C, F, C, F

Verse 1:

C

I remember the way

F

The sky started to fall

C

Rain patterns on the windows, but

F

You made sense of it all

Am

We had nothing to say

G

The words got in the way

Guaratuba

Instrumental Verse:

C, F, C, F

Verse 2:

C

We floated out to the sea

F

Made shelter down by the shore

C

The fire in the sky reflected in your eyes

F

I reached for the hand that I saw

Am

Only hours remain,

G

Til I hold you again

Guaratuba

Rest of song is instrumental:

C (x4) **F** (x4)

C (x4) **F** (x3) **F7** (x1)

F (x2) **Am** **G**

C (x4)

F (x2) **Am** **G**

C (x4)

F (x2) **Am** **G**

C (x4)

F (x2) **Am** **G**

Then it s just:

C

throughout the rest of the song.
