This is my first tab and attempt at figuring out the chords by ear. It may be incorrect, but it s a starting point for this fantastic song. That said, let me know if there are any corrections to be made.

Key of G
Standard Tuning
Capo on 3

Am **Em**
I m on the inside everybody knows what you will say.

G
Leaves on the ground, already came.

C
Leaves on the ground, already came.

Am **Em**
We were an island, you were the one who broke away.

G
I was a mess before you came.

C
I was a mess before you came.

Am - Em - G - C

Am **Em**
We started something, tried to make a fire without a flame.

G
Why it wasn t right I couldn t say.

C
Why it wasn t right I couldn t say.

Am
There s a light in the sky and it s coming up high

Em **G**
And why did I ever go - the longest night I ve ever known

C
The longest night I ve ever known.

D **Em** **C**
Only when the moon is high enough.

D **Em** **C**
Only when the stars are lining up.

C **Em**
Let it go - now is not the answer

G **C**
How can anybody else have known

Em

Let it Go - now is not the answer

G **C**
Call me when you see the sun lie low

Am **Em**
You were the ocean - I was drawn into you.

G **C**
But you can't always get where you are going to

Am **Em**
Where are we going ... where are we going.

G **C**
There are mountains to climb so let me carry you.

D **Em** **C**
Only when the moon is high enough.

D **Em** **C**
Only when the stars are lining up.

C **Em**
Let it go - now is not the answer

G **C**
How can anybody else have known

Em
Let it Go - now is not the answer

G **A**
Call me when you see the sun lie low

[Outro] **C** - **Em** - **G** - **A**
