

On On

Fossil Collective

This is my first attempt at figuring out the guitar chords to a song. I apologize if there is any confusion with reading the notation. These chords may or may not be exactly correct, but I hope you do enjoy either way. I love Fossil Collective and this is a song that I think is worthy of being played on a guitar.

Standard Tuning

Capo on 1st Fret

[No guitar during piano slow part]

Intro:

Am

Verse 1:

Am

Try to remember how the story goes.

I m by the side of the road. **G** **Am**

The moon was high the trees all black as coal. **Em** **F** **Am**

Am

Why did I run where did I go?

Back at the side of the road, **G** **Am**

I tried to walk a long long time ago. **Em** **F** **Am**

Chorus Part 1:

Am Am7 Am Am7

On & on & on & on

The silence seems to matter **Am Am7 Am Am7**

Ah - **F Am**

Em

You are the one

Chorus Transition 1:

Am Am7 Am Am7

Chorus Part 2:

Am Am7 Am Am7

On & on & on & on

Am

Am7

Am

Am7

The silence seems to carry on

F

Am

Ah -

Em

You are the one

Chorus Outro:

F

Chorus to Verse Transition:

Am

Verse 2:

Am

I can't see the world from the inside looking out.

G

Am

Take me outside to the moonlight

Em

Am

Where the seasons keep turning round

(Chorus Part 1)

Chorus Transition 2:

Am Am7

(Chorus Part 2)

(Chorus Outro)

(Chorus Transition 2)

Bridge:

Am (x8) Em (x2) Am (x2) Em(x4)
